

Spiritual Care at MarinHealth Medical Center

We all experience times when we need a little extra comfort, emotional connection, and spiritual support. The Spiritual Care Department helps provide that to patients, their families and friends, and to the staff of MarinHealth, regardless of faith.

If you have a religious request, or you desire a peaceful presence, a listening ear, or would just like an encouraging word, please don't hesitate to contact us.

You're going through a lot.
But you don't have to go through it alone.

Services

The Spiritual Care Dept. works with the Palliative Care team, Bioethics Committee, and Code Compassion. Our services include:

- Spiritual and emotional support for patients, their families, and for MarinHealth staff.
- Guidance for patients and families who wish to complete an Advance Health Care Directive .
- Referrals to community clergy for patients requesting particular religious preferences, sacraments, etc.
- Availability for department meetings, to provide inspirational resources, meditative tools, and emotional support to staff.

Availability

We are on campus:

- Mon-Fri from 7 am - 4 pm
- Sat & Sun from 9 am - 2 pm

Contact Information

- Call 1-415-925-7147 or dial extension #57147
